Calendar Integration

The screenshot shows a web browser window with the URL `meetings.procall.de/myrooms`. The page title is "ProCall Meetings - My Rooms". The main heading is "My Rooms", with a subtext: "This is a list of your rooms. You can edit the name, description and link here. If you have already invited participants to this meeting at an earlier date, please remember to update the invitation accordingly."

Under the heading "Active rooms", there is a list of four rooms:

- Matteo Bellotto**: `https://meetings.procall.de/269469279/matteobellotto` [JOIN MEETING]
- Sales Meeting**: `https://meetings.procall.de/408142432/salesmeeting` [JOIN MEETING]

- Progetto Azienda Spa**: `https://meetings.procall.de/408142431/progettoaziendaspa` [JOIN MEETING]

A modal window titled "Define date" is open, showing the following fields:

- Date**: 23/02/2021
- Start time**: 16:30
- End time**: 17:00

At the bottom of the modal, there are three buttons: "COPY INVITE", "SELECT DATE", and "CREATE CALENDAR ENTRY".

The footer of the page contains links for "About", "Imprint", "Privacy", and "Italiano", along with the "estos" logo.

DEMO!

An overhead view of three people sitting on a dark grey leather sofa. A man in a light blue shirt is in the center, looking at a black ThinkPad laptop. A woman in a pink shirt is on the left, and another person in a grey shirt is on the right. The laptop screen shows a website with a video player and the word 'Uetzen'.
